

The Church Planters Handbook

Church planting is one of the most needed and challenging aspects of Christian service. Success in this area depends upon wise strategy and careful planning. This book offers both instruction and inspiration on those key foundational areas necessary to planting a healthy church. The authors are men with apostolic ministries who have applied and proven the principles contained in this book.

Dick Benjamin is the founding pastor of Abbott Loop Christian Center in Anchorage, Alaska. The local church vision included raising and sending forth church planting teams. He now serves as an apostolic covering to more than 50 churches located in the United States and in other nations.

Jim Durkin is the founder and director of Gospel Outreach based in Eureka, California. He also serves as the senior pastor of Gospel Outreach Christian Center. As a result of his apostolic ministry, over 50 outreach ministries have been established in the United States, Latin America and Europe.

Terry Edwards is the Director of Harvest Field World Missions and serves as an apostolic covering to outreach churches in the United States and the Philippines. He pastors in South Lake Tahoe, California. He is the President of Christian Equippers International and an author of local church training materials.

Larry Tomczak is the Director of People of Destiny International based in greater Washington, D.C. He leads an apostolic team involved in planting churches and training leaders. Larry also serves as Editor of People of Destiny magazine and has authored several books.
